

logco-lease CA

*High Performance Chemical
Release Agent*

Advantages

- Quick and easy release of formwork
- Easy to apply by non-atomising spray, brush or roller.
- Suitable for wood, metal, plastic and rubber moulds.
- Low odour.
- Excellent surface finish.
- Suitable for heated beds.

Application

- **logco-lease CA** is supplied ready to use.
- Apply a thin and even coat to the clean formwork.
- Care should be taken to avoid over application.
- For new and unsealed timber forms pre-treatment is recommended with a second application prior to use.

Product Description

logco-lease CA is a chemical release agent specifically formulated to give easy release of formwork. The high performance surfactant blend provides excellent release properties whilst remaining economical and user friendly.
