

## Product Description

Logco Hand Sanitiser is a clear, colourless alcoholic hand rub that kills 99.9% of bacteria and viruses. It quickly evaporates from hands without leaving residue or odour. Logco Hand Sanitiser is unperfumed, suitable for use wherever food is handled, prepared or served and also for use inbetween patient contact in non-surgical medical care establishments.

## Application

- Logco Hand Sanitiser should be applied in a small amount to the palms & then spread over hands & lower forearms.
- Special attention should be paid to cuticles & creases in the skin.
- Rub in thoroughly until skin is completely dry. It is not necessary to dry your hands as the product evaporates quickly.
- Avoid contact with clothes & fabric.
