

Product Description

Ecoclean Degreaser is a clear, eco-friendly cleaning fluid for the fast removal of grease from metallic tools and equipment, along with various other substrates. It has a slow evaporation rate which enables exceptional degreasing properties.

Ecoclean Degreaser has an enhanced toxicological profile meaning it is a much safer alternative to more traditional products.

Application

- Ecoclean Degreaser is supplied as a ready to apply product .
- Spray equipment is ideal for application.
- Ecoclean Degreaser can also be applied with brush, swab or rag if desired.
- Once applied, leave for 5-10 minutes before wiping away.
- The coverage rate is dependant on cleaning progress.

Technical Data

Appearance	Clear Liquid
Specific Gravity @ 15.6c	0.834
Flash Point (PMCC)	62.2°C
Viscosity (mm ² /s) @ 25°C	1.18
Coverage	Applicable to cleaning progress
Recommended dilution	None required

Advantages

- Biodegradable and eco-friendly
- Exceptional degreasing power
- High flash point
- Safe to use, not classed as an irritant or solvent
- Single component, ie no mixing involved
